

B2B Sales Dr Engagement Activities

Glimpses of OPD Camps

The main motto of the OPD camps is to spread awareness about infertility and help infertility couples realise their dream of parenthood. B2B Sales Team is with the help of our centre heads and Referring Drs conducting OPD Camps across pan India to spread awareness on infertility and gaining faith, trust, and hope from the patients.

Following are the some of the glimpses of OPD camps conducted in the month of Feb'22 across pan India.
